

WHO'S
AFRAID
OF AI?

**"Embrace the unknown
and take action!"**

This was the key message at Global Sage's **25th Anniversary celebrations** held recently in Hong Kong, which was punctuated by a thought-provoking panel discussion on **AI in Action...**

Industry experts shared insights into **the future of artificial intelligence** and its transformative potential for organizations.

The event also featured an exclusive Book Signing and Charity Drive, showcasing our Executive Chairperson, Louisa Wong's bestselling memoir, *Women Who Chase Butterflies*.
